First, let me apologize for all the chaos in scheduling these study groups. But, after hearing from many of you and the conflicts Tuesday vs. Wednesday presents in your busy schedules, I have decided to alternate between the two days, as well as change up the locations that accommodate our northern brethren.

Dan Polachek has offered his conference room in Northampton as a meeting site. We will meet there on the Wednesday dates. AIC is available to us on Tuesdays. Therefore, the new (and hopefully, final) schedule is as follows:

TU 4/1 @ AIC Amaron Hall #305
WE 4/16 @Hamp
TU 4/29 @ AIC Amaron Hall #305
WE 5/14 @ Hamp
TU 5/27 @ AIC Amaron Hall #203
WE 6/11 @ Hamp
TU 6/24 @ AIC Amaron Hall #203

Once I get the specific address from Dan I will forward it and directions. Between the offering of two days, please make every attempt to attend as many as you can. We will be working off the spring exams listed on our web site. We will attempt to cover Exams 1 & 2 on Tuesday, 4/1.

Again, I apologize for the frequent changes, but hopefully this adjustment allows more of you to get to some groups. See you there. Dan Donermeyer

Here are the directions to Dan's office in Northampton. Let's plan on meeting from 6:30 PM to 8 PM for each meeting.
